

Dear family!

LET'S PRAY!

We pray for you continually and believe God with you for success in everything you turn your hands to today, protection for your families and the manifestation of divine health. These are great days to be alive! Don't let anything or anyone tell you otherwise. God has ordered your steps and you are here for such a time as this.

I have been provoked recently to step up our prayer life another notch as a church. You know that we have several opportunities to meet and pray every week and each month. These times are significant in the life of the church because we believe that the prayers of a righteous man are powerful and effective (**James 5:16**)! Furthermore, one of the hallmarks of this ministry over the last 14 years has been a commitment to speaking the Word of God together, knowing that as we do so, we have the ability to establish the things that we say and see them come to pass. This is because we are made in the image of God and just like He spoke the worlds into being, (**Gen 1&2**) He intended us to operate in the same way (**Psalms 8:4-5**). Every day, we create life or death by the words that we speak (**Proverbs 18:21**). This is an awesome revelation and we are provoked by the LORD once again to come together corporately and declare His Word over this ministry and this church and over every individual connected with us, be they a member or partner.

Here are some of the things we are believing God for:

The vision of this house

- To glorify the LORD and make His Name Great
- Through the uncompromised Word and the anointing
- Motivated in everything we do by love
- To see the whole person restored

Dr Mumba and as your pastors

- An increase of wisdom, understanding, revelation knowledge and the ability to do all things through Christ for our man of God, Dr Mumba
- That as we have made our exchange with Dr Mumba, we would walk in that same anointing and gift as your pastors
- That together we have a voice of authority in this nation

The ministry

- We have every resource, every favour and every finance to bring the global vision that God has given us as a ministry to come to pass
- That we have an open door which no man can shut

This church

- That we are a coat of many colours from every tribe and tongue
- That we have mandate to this city which, by its results, cannot be ignored

- That our sons and daughters are coming to us from the north, south, east and west and that they are born again, bible-believing, spirit-filled sons and daughters of the Most High God
- That He is adding to our number, daily those who are being saved

For every member and partner (and that's you and I!)

- That we are walking in the manifestation of divine mental, physical and emotional health – we are a cancer-free, diabetes-free and arthritis-free zone!
- That we are experiencing the miracle of debt cancellation
- That our families are enjoying their covenant of protection
- That salvation is to us and our households

Our Year of Rich fulfilment:

- This is my year of rich fulfilment and the decade of limitless possibility
- He keeps my soul among the living
- I've been through fire and water but you have brought me out to rich fulfilment
- You deliver my soul from death and keep me alive in famine
- In the days of famine I will be satisfied
- He has restored me
- He heals me of my wounds
- He has brought me out of captivity
- I will multiply and not diminish
- He glorifies me and makes me great!

So this Sunday morning, do not miss out! We will pray in the Holy Spirit and then make these declarations of faith together. Come expecting God to move. This is the year of our rich fulfilment and the decade of limitless possibility!
